

## “G–d’s Word on Money”

The Word of G–d speaks over 800 times concerning money, business and personal finances. No other subject including healing, angels, hell or faith is spoken about more than money.

We here at DebtFreeMe Seminars want to create a timely, accurate, and relevant platform to teach, encourage and support the Kingdom of G–d the proper role of money and their dominion over money. It is a passion of our team to do so—we are called to it. It is not our “business” but our calling.

Read and study a portion of the 800 plus scriptures we have assembled below. Ask the Father to speak to your heart as you educate yourself on what money is and who you really are... we guarantee your life is about to change! Helping you become who you are called to be is what we are called to do!
